

Crash This Place

Jordan Hardee

E B C#m A

A B
Come and take a ride to the pearly gates, See the Son of Man and the children play

A E
Come and take a dive in the sea of grace, Watch His glory crash this place

A B
I feel its on the way and soon they'll be a day

A E
When the fire cannot be tamed, watch His glory crash this place

E B C#m A

Woah

A B
I feel it's on the way, when the hearts are beating all your children kneeling call your Name

A E
The times are going to change, so let your mercy fill this place

F#m E
So come and wreck my ship with your love storm, Come sweep us away with Your holy waves

F#m B
I wanna feel your warmth face to face, Let Your glory crash this place

E A
Set my mind on things about You, Give me love for things You do

E A F#m
Set my mind on things about You, Make me Love You

E G#m*
Set my mind on things about You, Give me love for things You do

C#m A F#m
Set my mind on things about You, Make me Love You
