

Hold On To Me (KEY D)

David Walker

1 ----- 2m ----- 1/3m ----- 2m ----- 1

I find peace in your presence, I find rest in You
Even in the valley my eyes are fixed on you
When I'm in my darkness I can, hear your heartbeat sound
You prepare a table with these enemies all around

Yours are the eyes that ravish my heart
Yours is the smile, oh it grips me
You're pulling me in with the lifting of your hands
I'm pulling you up as you in embrace me.

1/3m 2m
I embrace You. You embrace me.

1/3m 4
I embrace You. You embrace me.

1 ----- 2m ----- 1/3m ----- 2m ----- 1
